HEAD SO DIZZY

COULD NOT STAND

Lady Felt Like Falling at Times on Account of Trouble Which

Was Finally Relieved by Cardui.

Nelsonville, Ohio.—"About four

years ago," writes Mrs. Minnie Perry,

of this town, "I had such spells with

my head, I thought I could not live. I

tried many different kinds of rem-

edies, but they did me no good.

It seemed I got worse, and my head

would just get so dizzy, I would fall

wherever I was standing, and I could

not walk, unless I held up by some-

thing. The trouble all seemed to be in

my head.

About a year ago I saw Cardui, the

woman's tonic, advertised and sent for

a bottle. I got so much better that I

used three bottles, and I gladly say

I have never had any more trouble

with my head. I can work hard all

day now, and get up the next morning

as bright and strong as ever.

I know that Cardui saved my life,

and I recommend it to other women

who suffer, for I am sure it will help

them, if they will only try it."

Do you feel dizzy, weak, nervous,

headachy, and run-down, generally?

These are sure symptoms of womanly

disorders, and should be given prompt

attention. Take Cardui, the woman's

tonic. Cardui has helped over a million

weak women in the past 50 years. It

will help you, too. [J.E.-3]
